

The Mapley is based on Fraternal relations. It includes how we interact with our Masonic Family. It is also how we are promoting our order. We are all doing these things but by documenting them allows the girls to see what we have accomplished over the year.

I am including the following to aide you in completing your Mapley books:

-a general description of how to complete the Mapley Book and a description of each category and what points are awarded for each category.

-a blank Mapley form that can be copied so the Mapley category is properly recorded. There are 6 Mapley cards on each form.

-samples of completed Mapley cards for the categories so that you know how they should be completed.

As you are completing the Mapley cards over the year, they need to be sorted by categories ie) all category 1 Mapley cards need to be kept together , all category 2 Mapley cards need to be kept together and so on. As the general description states dividers are nice but not required. Dividers are not expensive and it does make the Mapley Book much nicer and more organized .

Over the last couple of years I have received entries intended for Mapley but written on Parks travel cards or just written up without category descriptions not or all categories mixed together all on one sheet or scattered throughout. So that those Bethels could still be considered for the award, I categorized each Mapley card or converted the Parks to a Mapley card myself. I did this because those Bethels had made an effort and I did not want the girls to be disappointed. This year we need to follow the guideline as listed on the Mapley Award General description page. If the Mapley cards are not completed correctly, identified as to what category the event is designated for or sorted by category , they will not be counted.

I hope these samples will help you in preparing your Mapley Books. If you have questions please feel free to contact me. Have fun!

Sincerely,

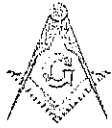

Michelle Kuerbitz, Mapley Book Chairperson

MAPLEY AWARD - FRATERNAL RELATIONS

General Description:

- Each Mapley event needs to be recorded on the 3x5 card printed on the next page
- Please be sure that each card is filled out completely.
- Date of the event also needs to be put on the card (no space indicating where it should go - please use upper right corner).
- Competition entries will be presented in a Mapley book. All cards and non Mapley-card items (invitations, news, items, etc.) must be included in the Mapley book. The cards should be taped to an 8.5 x 11 sheet of paper and mounted in the book. Six cards can fit on a page. Other items can be taped to paper or put into a sheet protector sleeve. Just be sure that each entry is visible. Sort entry items by category. Section dividers would be nice, but not required. Have cover or title page that indicates Bethel Number.

Dear Brothers:

I think everyone is looking forward to warm weather, and I can feel it coming.

I would also like to take this time to welcome Mike Suski to our Lodge as a Master Mason. I really think he will make a good addition to the lodge, just as the other rather new and reactivated members have been.

I hope I am feeling better by the time this note comes around. As always, keep the sick, widows and shut-ins in mind, and your prayers.

Fraternally yours,

Paul Gullett WM
